

Congress has already written another law to apply to others but not themselves.

Do not exempt TV and radio stations, - OR ANYONE ELSE!!

DO NOT DISTURB!!!

DO NOT MAKE MY TELEPHONE RING! THERE IS NOTHING THAT I MIGHT BE DOING THAT I WOULD CHOOSE TO INTERRUPT TO LISTEN TO A TELEMARKETER, POLITICIAN, CHARITY, OR BROADCAST STATION!!!

RECORDED MESSAGES ARE TOO CHEAP TO PASS UP IF ALLOWED.

IF BROADCAST STATIONS ARE ALLOWED TO ANNOUNCE THEMSELVES THROUGH TELEMARKETING, ONE CHEAP ADVERTISEMENT CAN OPEN THE DOOR FOR ANY VENDOR TO TELEMARKEET!!!

DUH???

MY TELEPHONE IS FOR MYSELF AND MY FRIENDS AND FAMILY. IT IS NOT NOT NOT NOT A COMMERCIAL MARKETING TOOL!!!

IS THIS CLEAR???

Yours truly,

Steve Chaikin
